MAGAZINE SUBMISSION GUIDELINES, ADVERTISING RATES, DEADLINES

Submission Guidelines

This publication is by and for members of the American Bridge Teachers' Association. The editor relies on submissions from members. Here are some tips for making the process work smoothly.

Photographs: An article about a person should include a photo of the subject of the article. A feature article should include a photo of the author. Please do not paste photos into articles. Instead send them as attachment files in the email.

Any photo should be in high-resolution. As a rule of thumb, if the file size is smaller than 100KB, it will not be good enough. If the photo was taken using a smart phone or camera, it will probably be fine.

The preferred format for submission of articles is Microsoft Word. If necessary, submissions will be accepted by articles pasted into emails.

Deadline 2019

In general, deadlines are not flexible. If circumstances make a submission delay inevitable, contact the editor before the deadline day to make arrangements.

Fall: Friday September 13th, 2019

Winter: Wednesday December 11th, 2019
